Best Regards,

Nimisha Bhattacharya

For IndiaFirst Life Insurance

[3:45 pm, 30/3/2024] Nimisha Bhattacharaya:

[Agenda of the Placement Drive:](#)

1. Pre-placement Talk: The event will commence with a pre-placement talk to provide insights into IndiaFirst Life Insurance, our values, and the opportunities we offer to talented graduates. Interested candidates may apply for the next step (Assessment Test) by scanning the QR code provided at the end of the presentation.

2. Assessment Test: Following the pre-placement talk, there will be an assessment test to evaluate the skills and competencies of the candidates. Only candidates who have passed this are eligible for the next round.

3. Personal Interview: Candidates shortlisted after the assessment test will proceed to the personal interview round.

We would like to bring the following points to your attention to ensure a smooth and efficient hiring process:

- It is crucial that the entire final year batch participates in the event. This will allow us to assess and interact with all potential candidates.
- We aim to complete the entire hiring process within the same day. We foresee it will take around 1 hour to complete the ppt and then take up selected candidates for steps 2, 3 above. We kindly request your cooperation in facilitating a conducive environment to achieve this goal.
- To ensure the maximum participation of students, we request that there are no ongoing examinations or academic commitments conflicting with the scheduled time of the event.

- Please ensure that the necessary facilities, such as classrooms for pre-placement talk, assessments and interview spaces are arranged.
- We request your assistance in communicating the importance of this event to the students and encouraging their active participation.

We look forward to a successful and collaborative campus hiring event. If there are any changes or specific requirements, please do not hesitate to contact us.

Thank you for your cooperation, and we are excited about the prospect of identifying top talent from your institution.
